ENCLOSURES:

I. a) Individuals submit their Conversion Notices personally or through a proxy by presenting an identification document and enclosing to the Conversion Notice a copy of that document, certified by them.

b) Foreign individuals identify themselves by presenting their original foreign passport used when entering Bulgaria and enclose to the Conversion Notice a legalized translation of the pages of the passport containing information on the person's full name, picture, passport number, date of issuing; expiry date, nationality and address, as well as a copy of the translated pages from the passport.

II. a) Legal entities that have not been registered or re-registered in the Commercial Register held by the Registry Agency, submit original or notary certified copy of the Certificate of Current Legal Status, issued not earlier than 3 months before the date of submitting the Conversion Notice. Foreign legal entities submit a copy of the registration act (or another identical certification document proving the legal existence of the company) in the respective foreign language, legalized translation of the registration act containing the full name of the legal entity, date of issue and country of registration, address of the legal entity, the names of the persons authorized to represent it; specimen of the representatives' signatures. The legal entities submit the Conversion Notice via their legal representatives or through a proxy.

b) Bulgarian legal entities additionally present a copy of their Unified Identification Number (BULSTAT) document, certified by their legal representative(s).

III. For both individuals and legal entities, when the Conversion Notice is submitted through a proxy, the latter shall identify itself with notary certified power of attorney containing empowerment of the proxy with regards to the conversion and/or disposition with securities, which power of attorney shall be enclosed to the Conversion Notice along with a certified copy of the identification document of the proxy.
